MSc in Applied Economics

Realize your highest aspirations with a leading global University - NTU

Two intakes per academic year (August and November)

Nanyang Technological University (NTU Singapore) is a dynamic and research-driven institution, ranked 19th globally and 4th in Asia according to the QS World University Rankings 2023.

The School of Social Sciences at NTU offers MSc in Applied Economics, designed to deliver comprehensive postgraduate training in economics. The program is geared towards equipping graduates with the necessary skills for successful careers in the public and private sectors, as well as in various fields of economic research. Notably, our curriculum is tailored to produce quantitative-focused researchers and analysts who possess robust theoretical knowledge.

Tuition Fees *(will be revised in AY24/25)*

- S\$29,000 for Singaporean/PR
- S\$34,000 for International students

MSAE Awards

- Offered to top few students at the end of every trimester
